Once we receive these items you will receive an official letter of admission to apply for your visa. An information package about further procedures, housing, the University and the city of Cottbus will also be included.

In order to enrol at BTU you will have to have health insurance that covers your stay in Germany. You are free to bring your own health insurance or to choose a German health insurance. German health insurance covers you fully and will cost about 56€ per month. If you decide on a German health insurance it is sufficient to do so upon your arrival in Cottbus.
