

Vestas Blades Deutschland GmbH

Vestas Blades Germany is a subsidiary of the Danish Vestas Wind Systems A/S. With a 23 per cent market share, Vestas is the world's leading supplier of wind turbines. This industry combines technology and sustainability.

Since May 2002 we produce in Lauchhammer in the south of Brandenburg blades for wind turbines. They are sold worldwide for onshore- and offshore- projects of Vestas Wind Systems A/S.
